

ARC FLASH TRAINING

NFPA 70E ARC Flash Training

Indian Capital is now offering an 8-hour comprehensive training aimed at protecting those working in or around electrical systems. This course provides a thorough knowledge of the recommended safe behaviors for anyone who works around electrical hazards. Attendees gain an understanding of the latest guidelines and regulations from NFPA 70E and OSHA. Electrical workers and safety professionals learn key practical information: best work practices in electrical safety and how to apply them in real world situations.
